Very encouraging meeting with the President of @Mx\_Diputados @castillo\_g44717 earlier today. I look forward to the accession of #Mexico to the #Istanbul Convention, which will make Mexico the first Latin American country joining this important legal instrument!

Muy alentadora reunión con el Presidente de @Mx\_Diputados.

@castillo\_g44717 el día de hoy. ¡Espero con ansias la adhesión de #México al #ConvenioDeEstambul, lo que convertirá a México en el primer país latinoamericano en sumarse a este importante instrumento jurídico!
